

Walsh University's Student Outcomes

Walsh University's Office of Institutional Effectiveness & Assessment reports student outcomes data to the Integrated Postsecondary Education Data System (IPEDS). IPEDS is a system of interrelated surveys that are conducted annually by the U.S. Department of Education's National Center for Education Statistics (NCES). The graphs below display the graduation and retention rates as reported to IPEDS between the 2012-13 and 2024-25 academic years.
