## CAMPUS POLICE

*Ron Perdue, Chief of Campus Police*

Walsh University • 2020 East Maple Street • North Canton, Ohio • 44720

### **CAMPUS POLICE MISSION STATEMENT**

The Walsh University Campus Police Department is a comprehensive full-service police department that exists to serve and protect our students, faculty, staff and guests. Our mission is to provide a safe and secure living and learning environment by actively partnering with the campus community. As such, we take a proactive and progressive approach to campus policing, utilizing a community policing model in dedication to the protection of life and property; the preservation of peace, order and safety; the enforcement of local, state, and federal laws as well as university policies and procedures.

The department recognize that learning occurs both in and outside of the classroom and is committed to supporting student's academic and co-curricular experience by helping them make good decisions about the activities they engage. We understand the importance of developing positive relationships with students so that we can effectively serve, mentor and educate them.

We, as a department, pledge to treat all persons with respect, dignity, integrity and compassion; to respect diverse social and cultural customs and values, to protect individuals and their rights, to uphold the law, and to strive for excellence in every service that we provide.

### **CAMPUS LAW ENFORCEMENT**

The staff of the Campus Police Department consists of sworn law enforcement officers who are certified by the Ohio Peace Officers Training Counsel. The officers have full arrest powers. Officers can be identified by their dark blue uniform pants and white or maroon uniform shirts. All officers are further identified by the gold Campus Police badge. The Walsh University Campus Police Department is a member of the the International Association of Campus Law Enforcement Administrators (IACLEA).

### **PREPARING THE STATISTICS FOR THE ANNUAL CAMPUS SAFETY & SECURITY REPORT**

As required by federal law, Walsh University's yearly crime statistics reported in this document are compiled on a calendar-year basis in accordance with the definitions of crimes provided by the FBI for use in the Uniform Crime Reporting (UCR) system. The report includes statistics for the 2020, 2021 and 2022 calendar years concerning reported crimes that occurred on campus or in our Clery Geography, as defined by Department of Education. Statistical information for certain off-campus buildings or property owned or controlled by Walsh University, as well as public property within or immediately adjacent to and accessible from the campus are collected or requested from local police departments.

These statistics are gathered from reported crimes to Campus Police and crimes reported to other campus officials with significant responsibility for student and campus activities (known as Campus Security Authorities). These statistics also include individuals referred for campus disciplinary action for categories required under the Clery Act, which includes violations of liquor laws, drug laws and illegal weapons possession. The report also contains statistics for certain crimes that are also classified as Hate Crimes.

In addition, this report includes statistics regarding the number of reported incidents of Domestic Violence, Dating Violence and Stalking. Information about support services and victim/survivor resources are also available within this report in compliance with the spirit and intention of the Violence Against Women Act.

## **CLERY GEOGRAPHY – DEFINED**

### **Campus Property**

The Clery regulations found in 34 CFR 668.46 defines Campus (“On-Campus”) property as follows: “Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but is controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).”

### **Non-Campus Property**

The Clery regulations found in 34 CFR 668.46 defines Non-Campus Property as follows: “Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

### **Public Property**

The Clery regulations found in 34 CFR 668.46 defines Public Property as follows: “All Public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.” Public property refers to property owned by a public entity, such as a city or state government.

## **CRIME AND FIRE LOG**

Campus Police at Walsh University maintains a daily crime log to record criminal incidents and alleged criminal incidents reported to the Campus Police department. In addition, Campus Police maintains a log of any fire that occurs in an on-campus student housing facility. A copy may be requested by contacting the Chief of Campus Police, Ron Perdue, at [rperdue@walsh.edu](mailto:rperdue@walsh.edu) or by calling (330) 490-7373.

## **CAMPUS SECURITY AUTHORITIES**

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act require all institutions to collect crime reports from a variety of individuals and organizations that the Act considers to be “campus security authorities”. A campus security authority is a specific term that encompasses individuals and organizations with an institution, including:

- A Campus Police Department;
- An individual or group with responsibility for campus safety;
- An individual or unit that institutional materials indicate to whom students and employees should report criminal offenses;
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student conduct, and campus disciplinary proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution.

Walsh University considers the following individuals to be campus security authorities:

- All Campus Police Officers
- Residence Life Staff
- Student Activities Staff
- Academic Advisors
- Faculty serving in the role as Student Organization Advisors
- Athletic Director Staff and all Athletic Coaching Staff
- Title IX Coordinator and Deputy Coordinators
- Dean of Students and Conduct Hearing Officers
- Vice-President for Student Affairs

Campus Pastoral counselors and campus professional counselors - when acting in such a capacity - are not considered campus security authorities and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged – if and when deemed appropriate – to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. Counselors include:

- **Pastoral Counselor** - employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor.
- **Professional Counselor** - employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and is functioning within the scope of his/her license or certification.

### **CONFIDENTIALITY**

Walsh University does not promise confidentiality to those who report crimes with the exception of Walsh University’s Counseling Services (students only), Washington Square AultmanNow Health Services (students and employees), and the \*University Senior Chaplain (students and employees). Note: reports made to off-campus entities may also be held confidential - such as reports to clergy or health care professionals to the extent they are permitted under the law. Please see the section in this *Annual Safety and Security Report* titled “Sexual Misconduct and Interpersonal Violence Policy” for more information regarding official reporting and confidential resources for sexual harassment, domestic violence, dating violence, sexual assault and stalking.

*\*An ordained member of the clergy (i.e. priest, deacon, minister, and religious sisters and brothers) who is recognized by a religious order or denomination as someone who provides confidential pastoral counseling or spiritual direction may serve as a confidential resource only while operating in their professional capacity of providing religious or spiritual advice (i.e. during a private pastoral counseling meeting, confession, etc.). If the member of clergy is made aware of crimes or offenses outside of their professional capacities, such as member of clergy with a dual professional role at the university (i.e. instructor, coach, club/org. advisor, etc.), they are considered mandatory reporters in these instances.*

### **CRIME PREVENTION**

The Campus Police Department assists in sponsoring Safety and Security Week during the Fall semester. All members of the campus community are encouraged to attend these informative meetings and programs in which a variety of campus safety issues are discussed including crime prevention, drug education and sexual assault prevention. In addition, Campus Police meets annually with the parents of incoming students, incoming students and any requesting campus organization or individual to discuss campus safety matters throughout the year. In addition to these services, Walsh University also supports programs sponsored by both on- and off-campus offices, including but not limited to Student Affairs, Student Conduct, Residence Life, Title IX, Counseling Services, The Crisis Center, Domestic Violence Project, Inc., COMPASS Sexual Assault, Education, Prevention and Support, North Canton Police and the North Canton Fire Departments. Crime prevention programming is ongoing.

### **SECURITY AND ACCESS TO CAMPUS FACILITIES**

Campus facilities are open to students, faculty/staff and guests of the university according to the schedule as outlined in the Student Handbook. Residence halls are locked 24 hours a day, and are accessible to resident students and staff. Resident students are responsible for making their visitors and guests aware of university policies, and resident students may be held responsible for the conduct of their visitors and guests. Propping open the doors to any building, especially the residence halls, causes a significant security risk. Such action will be viewed as a serious violation of institutional policy.

Walsh University is committed to campus safety and security. Exterior lighting is a critical part of that commitment. The Facilities and Ground Department maintains the university’s buildings and grounds, including lighting, walks, roadways, and landscaping, and conducts routine checks of lighting on campus.

Campus Police officers regularly patrol campus and report malfunctioning lighting and unsafe physical conditions to the Facilities Department.

### **PERSONAL RESPONSIBILITY**

It must be recognized that all members of our campus community are responsible for their own personal safety. Personal safety can only be accomplished through the cooperation and involvement of students, faculty, and staff. Walsh University encourages our community members to following simple, common sense precautions, including:

- Stay alert and trust your instincts.
- Communicate confident body language and walk purposefully.
- If you feel uncomfortable in a place or situation, leave quickly.
- While the campus and parking areas are well illuminated, community members should confine their movements to well-traveled areas and walk with a companion at night.
- Walsh University operates an escort service 24 hours a day, 7-days a week. Simply call the Campus Police Officer on Duty at (330) 490-7474, provide your location, and an officer will respond to escort you to your destination.
- Personal property and valuables should be marked for identification purposes and should not be left unattended.
- Properly secure and protect keys and swipe cards.
- Report any individuals behaving in a suspicious manner, or who do not belong in your residence hall or academic building.
- Never hesitate to contact Campus Police at (330) 490-7474 in an emergency.

### **REPORTING CRIMES**

The Walsh University Campus Police Department depends greatly on the cooperation and support from the University community. We ask for this support during your attendance at Walsh University. All crime victim/survivors and witnesses are strongly encouraged to report crimes and/or criminal behavior in a prompt and accurate manner. Prompt reporting will ensure Timely Warning Notices on campus and disclosure of accurate crime statistics. Under Ohio law, persons who have knowledge of a felony are required to report the crime to the police (Ohio Revised Code 2921.22). Failure to report a crime may itself be a crime.

The Campus Police Department strives to maintain a close working relationship with all local law enforcement agencies. Campus Police will record, monitor, and assist any law enforcement agency in the investigation of off- campus crimes involving persons associated with the University. Persons found in violation of Federal, State, and municipal laws or any conduct which adversely affects the function of the university and the pursuit of its educational purposes and objectives are subject to disciplinary action and/or civil and criminal penalties.

### **Main Campus**

Walsh University is located within the city of North Canton. All members of the campus community are encouraged to report crimes or criminal activity to the Campus Police Department. Reported crimes occurring on campus will be investigated by Campus Police. If a crime has already occurred, a report will be taken by the Campus Police Department and further follow-up will be made where practical. For crimes in progress, Campus Police will respond as expediently as possible to the area of the crime. Once on the scene, Campus Police will evaluate the situation and render aid where needed.

#### **Emergency Telephone Numbers:**

Campus Police Officer on Patrol:	(330) 316-1088 (Cell)   (330) 490-7474 (Office)
North Canton Police Department:	(330) 499-5911
North Canton Fire Department:	(330) 499-3404

9-1-1 Calls: All 9-1-1 calls are answered by the North Canton Police Department. If calling from a university phone, be sure to provide your exact location, as 9-1-1 dispatchers will only be able to identify the university's main telephone number. This is essential for the rapid response of emergency personnel.

### **EMERGENCY RESPONSE AND NOTIFICATION**

Walsh University is committed to supporting the welfare of the members of the Walsh University community to provide a conducive living/learning environment for its students, faculty, staff, university volunteers and visitors. When appropriate, Walsh University will also communicate with the Stark County Sheriff's office and the City of North Canton when a potential risk to the surrounding community may exist. Campus Police and the University Emergency Response Team are responsible for developing, maintaining and testing the plan on an annual basis.

The Emergency Response Team and Emergency Management Plan are set in operation whenever a natural or induced emergency affecting the University reaches proportions that cannot be handled by established measures. A crisis may be sudden and unforeseen, or there may be varying periods of warning. The intent is for the plan to be viewed as a tool to accomplish the above stated purpose with a minimum of confusion and wasted effort. Accordingly, the plan is intended to be sufficiently flexible as no one document can account for all possible contingencies.

If Campus Police confirms that there is an emergency or critical incident that poses an immediate threat to the health or safety of any or all members of the Walsh community, Campus Police will collaborate with the appropriate campus offices to determine the content of the emergency notification message which will be disseminated to the campus community or to the appropriate segment of the community. If the threat is limited to a particular building or segment of the population. Campus Police and designated members of the Crisis Response Team will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the responsible authorities, compromise the efforts to assist a victim/survivor or to contain, respond to, or otherwise mitigate the emergency.

In the event of a serious incident which poses a confirmed immediate threat to members of the Walsh community (as determined by the Campus Police) the University has various systems in place for ensuring information is communicated promptly to members of the campus community:

#### **Walsh Emergency Alert System - WU Alert**

The Walsh Emergency communication system allows the university to send time-sensitive notifications via the Walsh University Emergency Alert System (voice messages, emails, and text messages). This system will be used only in the case of an emergency such as school closures, natural disasters or imminent threats. Some or all of these methods of communication may be activated in the event of a confirmed immediate threat to the Walsh campus community. Students, faculty and staff may update their emergency contact information for WU Alert through the Walsh University Cavalier Center – [www.walsh.edu](http://www.walsh.edu). The Walsh Emergency Alert System – WU Alert is tested at the beginning of each academic term. These tests are publicized in advance.

#### **Walsh University Website**

The University will post updates during a critical incident on the University website. Members of the community at large who are interested in receiving information about emergencies on campus should monitor the Walsh website and are cautioned not to overload university phone lines and cell phones which may be needed to coordinate the emergency response.

#### **General Campus Notifications**

For less time-sensitive notification when there is not an immediate emergency threatening the safety of the campus community, the following notification methods may be used: campus email, printed postings in high-visibility areas.

### **TIMELY WARNING PROVISION**

In accordance with the Clery Act, Walsh University will keep the campus community informed by providing timely warning of crimes occurring on campus property and represent a serious or continued threat to students and employees, once reported to Walsh University Police Department, as specified in the Clery Act – 20 USC 1092. Timely warning reports will be available on electronic and posted printed materials.

### **CAMPUS SEX CRIMES PREVENTION ACT**

Sexual offenders are required by law not only to register with their local sheriff, but also to notify the state if they are a student at or work on the campus of an institution of higher education. A listing of sexual offenders for each county is available on the following websites:

Main Campus | Stark County | (330) 430-3800 | [www.starkcountyohio.gov/sheriff](http://www.starkcountyohio.gov/sheriff)

**Contact Campus Police at (330) 490-7474 to assist with any questions you may have.**

### **ALCOHOL AND DRUGS**

Persons on the Walsh University campus must comply with state and federal laws concerning the manufacture, presence, possession, use, sale, or distribution of narcotics and dangerous drugs. The presence, possession or use of any alcoholic beverages on campus is limited to those who are of legal drinking age as per Ohio State Law (age 21). In addition, the Student Handbook outlines additional restrictions that apply to persons living or visiting residence halls as well as strict guidelines concerning the use of alcohol at social events serving alcohol.

Chemical dependency affects all areas of an individual's life. Assistance should be sought to determine the nature and the extent of the problem. If an individual is identified by professionals as a chemical user or abuser of substance, University authorities will provide an opportunity for appropriate treatment. Refer to the Walsh University Student Handbook for a complete statement on the University's policy concerning drugs and alcohol with information about available support services and programs.

### **MISSING PERSON POLICY**

If a member of the Walsh University community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify the Walsh University Campus Police at (330) 490-7474. This policy, with its accompanying procedures, establishes a framework for cooperation among members of the University community aimed at locating and assisting students who are reported missing. A student shall be deemed missing when he or she is absent from the University for more than 24 hours without any known reason.

All reports of missing students shall be directed to Campus Police, which shall investigate each report and make a determination whether the student is missing in accordance with this policy. Most missing person reports in the university environment are a result of a student changing their normal routine and failing to inform roommates, friends or family of this change. Community members are encouraged to develop a clear communication plan with family/friends.

If a missing student is under 18 years of age and not emancipated, the law mandates that the University notify the parent or guardian of the missing student immediately. Ohio law also requires that all missing persons under the age of 22 will also be reported to the North Canton Police Department immediately at which time the information will be entered into the national on-line registry for missing persons.

All residential students are required to identify an emergency contact person to be contacted by the University in case a student is determined to be missing. It is also important to understand that each student has the responsibility to enter and update their general emergency contact information on the Walsh University Cavalier Center – which may or may not be identical to the contact information listed on the Housing Portal *Resident Student Missing Person Emergency Contact*.

# **Sexual Misconduct and Interpersonal Violence Policy**

Procedures for Students, Employees, and University Volunteers related to Institutional action in Cases of Sexual Misconduct, Sexual Harassment, Sexual Assault, Domestic Violence, Dating Violence, Stalking, and Retaliation.

### **What is Title IX?**

Title IX is part of the 1972 re-authorization of the Higher Education Act and that stipulates that “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.” Title IX requires all schools receiving federal financial assistance to take reasonable steps to create a safe, nondiscriminatory learning environment.

### **A. Policy Statement**

Walsh University prohibits all forms of sexual misconduct and interpersonal violence, including, but not limited to sexual harassment, sexual assault, domestic violence, dating violence, stalking, retaliation and other forms of interpersonal violence or sex discrimination, otherwise called Prohibited Conduct. The *Walsh University Sexual Misconduct and Interpersonal Violence Policy* covers all students (prospective, continuing and transfer), employees, and University volunteers. As such, the University can investigate any reported violations of this policy that occur in the United States during a University-sponsored program, University-sanctioned activity, or otherwise directly affect the University’s working or learning environment, regardless of whether the reported conduct occurred on campus, off campus, or through virtual methods.

For every report, the Title IX Office will review the circumstances of the reported conduct to determine whether the University has jurisdiction over the parties involved and take steps within its control to eliminate, prevent, and address the reported conduct. If the Respondent is not a member of the University community or is no longer affiliated with the University at the time of the report or at the time that an *Investigation of Institutional Formal complaints* is initiated (including when the Respondent has graduated or left the University), the University typically is unable to investigate, sanction, or take disciplinary action.

Individuals impacted by sexual misconduct and/or interpersonal violence may contact the Title IX Office as detailed in “Section F. Disclosure and/or Reporting Options.”

Stalking may include behavior that occurs outside the context of a relationship. And for the purposes of this definition:
  - Course of conduct means two or more acts, including, but not limited to, acts in which the respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property;
  - Reasonable person means a reasonable person under similar circumstances and with similar identities to the complainant; or,
  - Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
- **Non-Title IX Sexual Harassment**

“Sexual Harassment — Non-Title IX” is any unwelcome sexual advance, request for sexual favors, or other unwanted verbal or physical conduct of a sexual nature when one or more of the following conditions are present:

  1. The conduct must have occurred against a person in the United States.
  2. The conduct must have occurred within the College’s education program or activity. For purposes of this provision, this means that the conduct must have occurred either (a) in a location, event, or circumstances over which the College exercised substantial control over both the respondent and the context in which the sexual harassment occurs or (b) in relation to a building owned or controlled by a student organization that is officially recognized by the College.
  3. The complainant must be participating in or attempting to participate in the education program or activity of the College at the time the formal complaint is filed.
- *A Single Incident of Sexual Harassment* — Non-Title IX alone may create a hostile environment if the incident is sufficiently severe. The more severe the conduct, the less need there is to show a pattern of incidents to create a hostile environment. The determination of whether an environment is “hostile” will be based on the totality of the circumstances, including, but not limited to:

- The frequency of the speech or conduct;
- The nature and severity of the speech or conduct;
- Whether the speech or conduct was physically threatening;
- The effect of the speech or conduct on the individual’s mental and/or emotional state;
- Whether the speech or conduct was directed at more than one person;
- Whether the speech or conduct arose in the context of other discriminatory conduct;
- Whether the speech or conduct unreasonably interfered with the individual’s educational opportunities or performance (including off campus study), Kenyon-controlled living environment, work opportunities or performance;
- Whether a statement is a mere utterance of an epithet that engenders offense in an employee or a student or offends by mere discourtesy or rudeness; and/or
- Whether the speech or conduct is protected by the First Amendment and/or deserves the protections of academic freedom.

Sexual Harassment — Non-Title IX can take many forms:

- May be blatant and intentional and involve an overt action, a threat or reprisal, or may be subtle and indirect, with a coercive aspect that is unstated;
- Does NOT have to include intent to harm, be directed at a specific target, or involve repeated incidents;
- May be committed by anyone, regardless of gender, age, position, or authority;
- May be committed by a stranger, an acquaintance, or someone with whom the individual has an intimate or sexual relationship;
- May be committed by or against an individual or may be a result of the actions of a group;
- May occur by or against an individual of any sex, gender identity, gender expression, or sexual orientation;
- May occur in the classroom, in the workplace, in residential settings, over electronic media (including the internet, telephone, and text), or in any other setting; an
- May affect the individual and/or others who witness or observe the harassment.

There may be situations where respondent’s reported conduct constitutes both “Sexual Harassment — Title IX” and “Sexual Harassment — Non-Title IX.”

The respondent will receive notice of both charges and the resolution process will investigate both charges. If the reported conduct is adjudicated and the respondent is found responsible for the charge of “Sexual Harassment — Title IX,” the respondent will not be separately sanctioned for the charge of “Sexual Harassment — Non-Title IX.”

- *Non-Title IX Sexual Assault:* As defined in the Title IX Sexual Assault definition above that did not reportedly occur in a program or activity of the University in the United States.
- *Non-Title IX Domestic Violence:* Domestic violence as defined in the Title IX Domestic Violence definition above that did not reportedly occur in a program or activity of the University in the United States.

- *Non-Title IX Dating Violence:* Dating violence as defined in the Title IX Dating Violence definition above that did not reportedly occur in a program or activity of the University in the United States.
- *Non-Title IX Stalking:* Stalking as defined in the Title IX Stalking definition above that did not reportedly occur in a program or activity of the University in the United States, or that otherwise fits within the definition of stalking but does not fall within the Title IX Stalking definition because the reported conduct is not directed at the alleged victim on the basis of sex.
- *Sexual Exploitation:* Sexual Exploitation is knowingly, intentionally or purposefully taking advantage of the sexuality of another person without consent or in a manner that extends the bounds of consensual sexual activity without the knowledge of the other individual for any purpose, including sexual gratification, financial gain, or personal benefit. Examples of Sexual Exploitation include:
  - Observing another individual’s nudity or sexual activity or allowing another to observe consensual sexual activity without the knowledge and consent of all parties involved;
  - Voyeurism;
  - Non-consensual streaming of images, photography, video, or audio recording of sexual activity or nudity, or distribution of such without the knowledge and consent of all parties involved;
  - Non-consensual recording of individuals in locations in which they have a reasonable expectation of privacy, such as restrooms or locker rooms, regardless of whether the images captured reveal sexual activity or nudity;
  - Prostituting another individual;
  - Exposing one’s genitals in non-consensual circumstances;
  - Removal of a condom, without consent, during sexual intercourse;
  - Knowingly exposing another individual to a sexually transmitted infection or virus without that individual’s knowledge; and
  - Inducing incapacitation for the purpose of making another person vulnerable to non-consensual sexual activity, e.g., by using alcohol or other drugs (such as Rohypnol or GHB).
- *Retaliation:* No recipient or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this part, or because the individual has made a formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a formal complaint. The exercise of rights protected under the First Amendment does not constitute retaliation.

For additional information regarding the grievance process for Non-Title IX Sexual Harassment see Section N. Institutional Grievance Process > i. Dismissal of Allegation.

## D. Walsh University Consent Standard

- **Consent** is an agreement expressed through affirmative, voluntary words and/or actions, and mutually understandable to all parties involved, to engage in a specific sexual act at a specific time.

- **Incapacitation** is when a person’s perception and/or judgement is substantially impaired because of a mental or physical condition [including, but not limited to intoxication] causing the person to lack the ability to effectively make or act on conscious decisions.

## E. Disclosure and/or Reporting Options

Walsh University recognizes a distinction between disclosing and formally reporting incidents of sexual harassment, sexual assault, domestic violence, dating violence, stalking, and retaliation otherwise referred to as *Prohibited Conduct*. Disclosing an incident may not result in a formal complaint, depending on to whom the information is communicated, the circumstances under which the incident occurred, and in many situations, the wishes of the Complainant\*.

### 1. Mandatory Reporters

All full- and part-time Walsh University employees, including administration, faculty, staff, University volunteers and student paraprofessionals, such as Resident Assistants and Campus Ministry Peacemakers, are mandated to report any incidents of Prohibited Conduct directly to the Title IX Coordinator or Title IX Deputies, unless they are one of the *confidential resources* outlined below.

### 2. Confidential Resources

\*If you are unsure if you would like to make a formal complaint regarding an incident of Prohibited Conduct. Walsh University’s Counseling Services (students only), Health Services, University Senior Chaplain, Domestic Violence Project, Inc., and COMPASS are confidential resources available to you for disclosure. Confidential resources will not report the disclosure of these incidents to Title IX or Campus Police without a victim/survivor’s written permission, and to the extent, they are permitted to promise confidentiality under the law.

If the member of the clergy or institute is made aware of crimes or offenses outside of their professional capacities, such as member of clergy with a dual professional role at the university (i.e. instructor, coach, club/org. advisor, etc.), they are considered mandatory reporters in these instances.

This pastoral confidentiality, which is subject to certain limits (see "F. Confidentiality and Support" below), is distinct from the unique secrecy (the "seal") of the Sacrament of Penance, also known as "Confession" or the "Sacrament of Reconciliation." **F. Confidentiality and Support**

Walsh University will maintain the confidentiality of the Complainant—regardless of whether confidentiality is requested—to the extent it is legally permitted and has the ability to appropriately provide accommodations, Supportive/Interim Measures, and/or protective measures. As such, there may be situations where disclosing some personally identifiable information about a Complainant may be necessary. For allegations of misconduct related to Prohibited Conduct, the Title IX Coordinator will determine what information about the Complainant should be disclosed and to whom this information will be disclosed. Unless extenuating circumstances exist, the Complainant will be informed before sharing personally identifiable information that the University believes is necessary to provide a safe and non-discriminatory environment, to provide an accommodation, and/or to provide any interim or protective measures.

If the Complainant requests the University not reveal the Complainant’s name to the Respondent and/or asks the University to not investigate a formal complaint, this may limit the University’s ability to respond fully to the incident, including pursuing disciplinary action, and being able to sanction the prohibited conduct against the Respondent. Specific confidentiality requests should be made directly to the Title IX Coordinator, Kristi Campbell, at (330) 490-7105.

While Walsh University will strive to honor a Complainant’s requests, there are circumstances when personally identifiable information about a Complainant may be shared and/or when an investigation may occur despite a Complainant requests otherwise. The University has a legal duty to act if it determines it is appropriate and necessary in certain cases of Prohibited Conduct where an *Imminent Threat* to the campus community and/or pattern of behavior may be present. “Pattern of behavior” is defined as two or more reported instances of the same type of prohibited conduct.

**1. Imminent Threat** is classified as an incident of sexual misconduct and/or interpersonal violence that includes the following:

- a weapon,
- physical force or violence,
- when the victim/survivor is a minor,
- pattern by same perpetrator, and/or
- a significant threat to the University

## **2. Other Limits to Confidentiality:**

- a. *Mandatory Reporting of Child Abuse.* All University employees, including confidential resources, are required to immediately report any knowledge or reasonable suspicion that a minor (someone under 18 years old) is experiencing abuse or neglect based on information shared by the minor, any other individual, or one's own observations or knowledge.
- b. *Ohio Felony Reporting Requirement.* Under Ohio law, all individuals, excluding confidential resources, must report possible felonies, including sexual violence. Under Ohio Revised Code Section 2921.22, medical professionals, mental health professionals and clergy are not required to report felonies.
- c. *Ohio Medical Professional Reporting Requirements.* In Ohio, medical professionals have distinct legally mandated reporting responsibilities. Where a medical professional knows or has reasonable cause to believe that serious physical harm resulted from an offense of violence, the medical professional is required to make a report to law enforcement. Medical professionals must deem a patient medically stable before reporting and must communicate to the patient that the patient does not have to report and/or speak to the police. If the patient chooses not to speak to police at the time of the medical examination, the medical professional does not need to report the patient's name — only the date, general time, and general location of the incident.
- d. *Risk of Harm to Self or Others.* Mental health professionals are required to disclose information where there is an imminent threat of harm to self (the client) or others.

## **3. Clery Act Reporting**

Pursuant to the Clery Act, anonymous statistical information for certain offenses that have been reported at campus locations must be shared with Campus Security. The information does not include the names or any other identifying information about the persons involved in such incidents. Additionally, the University has a duty to complete certain publicly available recordkeeping, including reporting and disclosing information about certain crimes pursuant to a federal law known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the "Clery Act"). Reported incidents of these crimes will be included in the University's annual crime statistics per its annual security Report and daily crime logs, as required. The University is also obligated to issue timely warnings of crimes enumerated in the Clery Act occurring within relevant campus geography that represents a serious or continuing threat to students, employees, and university volunteers, except in those circumstances where issuing such a warning may compromise current law enforcement efforts or when the warning itself could potentially identify the Complainant. The University will not report and/or disclose personally identifiable information about a Complainant in its recordkeeping required by the Clery Act.

The University will make every effort to respect a Complainant's autonomy in determining how to proceed when they disclose and/or formally report an incident of sexual misconduct and/or interpersonal violence. Support and resources are always available to Complainant—regardless of the chosen course of action. Receiving a formal complaint of an incident permits the University to keep records of reported incidents and determine the appropriate response and the potential need to alert the University community to potential danger.

## **G. Caring Cavalier Amnesty Policy**

The University recognizes that students who experience or witness a sexual assault, dating violence, domestic violence, stalking, and/or a medical emergency while under the influence of alcohol or illegal substances may be hesitant to report these occurrences due to concerns for the potential consequences of violating the student code of conduct.

The Caring Cavalier Amnesty Policy is focused on empowering students to support the health and well-being of themselves and others. Any student coming forward to report incidents involving sexual assault, dating violence, domestic violence, stalking, and/or a medical emergency will be granted amnesty by the

Student Conduct and Community Standards Office and will not be subject to violations of the University's alcohol and/or substance abuse policies that occurred at or near the time of the alleged incident(s).

Report immediate health and safety emergencies to Walsh University's Campus Police (330-490-7474 or 330-316-1088). Report non-emergencies to the University's Title IX Office (330-490-7105) or Student Conduct and Community Standards Office (330-490-7301).

The Caring Cavalier Amnesty Policy provides amnesty for violations of the student code of conduct as it relates to alcohol and/or substance abuse policies only. Students will be required to meet with a representative from the Student Conduct and Community Standards Office to provide further information about the incident(s). Students may be required to participate in online education, reflection assignments, and/or assessment and treatment referrals. Students who repeatedly use the amnesty policy may be required to participate in additional educational interventions and support opportunities. Failure to complete assignments required by the University will result in ineligibility for amnesty. Additionally, this policy does not grant amnesty from criminal, civil, or legal consequences for violations of federal, state, or local laws.

## **H. Written Statement of Rights, Reporting Options and Resources**

Any student, employee or University volunteer that discloses an incident and/or makes a formal complaint to the Title IX Office of sexual harassment, sexual assault, domestic violence, dating violence, stalking, retaliation and/or other forms of interpersonal violence or sex discrimination will receive a written notification of their rights, reporting options, and resources. Please note that the receiving of this information is not dependent on the filing of a formal complaint.

### **I. First Contact with the Title IX Office**

Upon disclosure of an incident of Prohibited Conduct from a student, employee, or University volunteer to the Title IX Office, the Title IX Office will outreach to the person who may have experienced the Prohibited Conduct. The outreach (from the Title IX Coordinator or a Title IX Deputy) includes ensuring the Complainant receives information regarding:

- medical and confidential counseling and support resources;
- options for pursuing a formal complaint and/or reporting the incident to law enforcement;
- how to request an interim no-contact order;
- how to request other Supportive/Interim Measures from the University;
- how to preserve evidence;
- where to access more information.

The outreach will also include an invitation to meet with or provide additional information to the Title IX Office. The initial meeting may be followed by 1) filing a formal complaint or 2) a request by the Respondent to take no further action.

The University will strive to honor the request of the Complainant as to a course of action. However, the University has a legal duty to act if the University determines it is appropriate and necessary in certain cases of Prohibited Conduct where an *Imminent Threat* to the campus community and/or pattern of behavior may be present (see Section F "Confidentiality and Support" for additional information).

The University will make every effort to respect a Complainant's autonomy in determining how to proceed. Support and resources are always available to a Complainant regardless of the chosen course of action. Receiving a formal complaint of an incident permits the University to keep records of reported incidents and determine the appropriate response and the potential need to alert the University community to potential danger. Reported incidents will also be included in the University's annual crime statistics as required.

## J. Supportive/Interim Measures

In the case of Prohibited Conduct, the Title IX Coordinator or Title IX Deputies may take immediate action to assist a Complainant in resuming educational activities while deciding the next steps, if any, to pursue against a Respondent or while awaiting the results of a resolution process.

“**Supportive/Interim Measures**” are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties. Furthermore, the supportive/interim measures are based on what is not clearly unreasonable in light of the known circumstances and does not second guess a school’s disciplinary decisions. Finally, a school is required to offer supportive measures, and provide remedies to Complainant whenever Respondent are found responsible.

Walsh University will provide information, in writing, to Complainant or Respondent about options for, available assistance in, and how to request changes to academic, living, transportation and working situations or protective measures. The institution will make accommodations or provide such protective measures if the victim requests them and if they are reasonably available, regardless of whether the Complainant chooses to report the crime to Campus Police or local law enforcement. Additionally, the University is obligated to comply with a student’s reasonable request for a living and/or academic situation change following an alleged sex offense. \*Please note that some Supportive/Interim Measures that impact both the Complainant and Respondent may require a finding of “in-violation” (see *italicized* measures listed below).

Supportive/Interim Measures can include but are not limited to, the following:

- Providing an escort,
- Changing the Complainant class schedule or room assignment in the residence halls,
- Arranging academic accommodations,
- Waiving the service fee for on-campus health center services,
- *Issuing no contact orders\**,
- Complying with protection orders\*\*,
- *Limiting the Respondent(s)’ access to campus,*
- *Limiting the Respondent(s)’ access to facilities and activities,*
- *Changing the Respondent(s)’ course schedule or room assignment, and/or*
- Implementing other appropriate educational or prevention strategies to address the environment in which the offense took place.
- Change in University-related work schedules or job assignments
- Voluntary Leave of Absence
- Assistance in contacting community resources
- Transportation related to accessing services/support after an incident of sexual misconduct or interpersonal violence
- When appropriate, Supportive/Interim Measures can include Respondent being placed on interim suspension or interim administrative leave.

*\*A person may contact the Title IX Coordinator (330-490-7105) to inquire and request a No Contact Order. This is a written order issued by the University that generally requires an alleged Respondent to stay away from a victim/survivor and is supported by University consequences for non-compliance with the order.*

*\*\*A person may also seek a protection order from the local court of the state of Ohio. This is a legal process independent of the University. A protection order is a written order that generally requires an alleged perpetrator to stay away from a victim/survivor and is supported by legal consequences for non-*

*compliance with the order. If a court order is issued, the University will, to the extent possible, assist the protected person in benefitting from the restrictions imposed by the court and will also facilitate on-campus compliance with the order.*

*The Title IX Coordinator (330-490-7105) or a Title IX Deputy, an advocate from COMPASS Sexual Assault Education, Prevention & Support (330-452-1111) or Domestic Violence Project, Inc. (330-453-7233), and Campus Police (330-490-7474 or 330-316-1088) are all able to assist victims/survivors who want to request a protection order. Below are the legal options available in the state of Ohio:*

- *Criminal Protection Order*
- *Domestic Violence Criminal Temporary Protection Order*
- *Domestic Violence Civil Protection Order*
- *Dating Violence Civil Protection Order*
- *Civil Stalking Protection Order*
- *Sexually Oriented Offense Protection Order*

*If a victim/survivor believes there has been a violation of a court-ordered protection order, they should contact the police department in the jurisdiction where the violation has occurred.*

Information will be provided in writing to a Complainant regarding the above support/interim measures, as well as existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available for victims both on and off campus. Additionally, it is not required for a formal complaint to be filed and/or investigated for supportive/interim measures to be implemented, as deemed necessary by the Title IX office. The Title IX Coordinator and/or a Title IX Deputy will use the following factors to determine appropriate Supportive/Interim Measures to be implemented:

- specific need expressed by the complainant
- the age of the students involved
- the severity or pervasiveness of the allegations
- any continuing effects on the complainant
- whether the complainant and alleged perpetrator share the same residence hall, dining hall, class, transportation or job location; and
- whether other judicial measures have been taken to protect the Complainant (e.g., civil protection orders)

**For more information about Supportive/Interim Measures, please contact the Title IX Coordinator, Kristi Campbell at (330) 490-7105, or [titleix@walsh.edu](mailto:titleix@walsh.edu).**

## **K. Filing a Formal Complaint**

Any current Walsh University student, employee, or University volunteer may file a formal complaint of Prohibited Conduct against other current students, employees, or University volunteers connected to the University. These formal complaints may be submitted in person, by mail, electronic mail, or via phone using the University's contact information for the Title IX Coordinator and must include the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the formal complaint.

All formal complaints should be submitted directly to the Title IX Coordinator, **Kristi Campbell at (330) 490-7105, or [titleix@walsh.edu](mailto:titleix@walsh.edu)** and should include the following information:

- Name of the Alleged Respondent(s)
- Date of the Alleged Incident
- Location of the Alleged Incident
- Details regarding the Alleged Prohibited Conduct being reported

It is strongly encouraged to submit a formal complaint as soon as possible after the incident takes place or becomes known in order to optimize opportunities to secure evidence and witnesses. As there is no time limit on reporting violations of this policy, if a reporting party or Respondent is no longer affiliated

with Walsh University (e.g. a formal complaint is made after a student has withdrawn/graduated, or an employee or University volunteer is no longer employed and left their position), the University is often limited in its recourse to dress the concern, and the University may no longer have jurisdiction over the reported incident.

## **L. Law Enforcement Notification**

The University also urges the Complainant to report all instances of Prohibited Conduct or criminal activity to Walsh University Campus Police or other law enforcement agencies. The Complainant may contact Campus Police or local law enforcement directly, whether or not a formal complaint has been filed with the University. If requested, the University can assist the Complainant in notifying law enforcement or legal service organizations to learn about these remedies. The Complainant may also decline to notify law enforcement. Please see the Sexual Misconduct and Interpersonal Violence Prevention Policy (Section C “Definitions – Ohio Revised Code”) for more information on the definitions of these crimes according to the Ohio Revised Code.

A person may formally report an incident to either the police or the University or to both.

### **1. How to File a Police Report**

A victim/survivor wanting to make a police report can contact Campus Police (available 24/7) using the following information:

#### **a. On-Campus Law Enforcement – Students and Employees**

Walsh University Campus Police | (330) 490-7474 or (330) 316-1088  
2020 East Maple Street, North Canton, OH 44720

Filing a formal complaint with Campus Police or local law enforcement allows the department the ability to investigate the alleged crime, gather evidence, and refer a case for prosecution when warranted. A victim/survivor may choose to have an advocate present from COMPASS Sexual Assault Education, Prevention & Support (330-452-1111) or Domestic Violence Project, Inc. (330-453-7233) when filing the report.

### **2. Effect of Law Enforcement Notification**

The filing of a formal complaint of Prohibited Conduct under this policy is independent of any criminal investigation or proceeding. The University typically does not wait for the conclusion of any criminal investigation or proceedings to commence its own investigation or to take any necessary interim remedies to protect the Complainant and the University community. However, the University may temporarily delay its investigation to enable law enforcement to gather evidence and to engage in a preliminary investigation of Prohibited Conduct that may also violate state or federal law.

## **M. Preservation of Evidence**

As time passes, evidence of Prohibited Conduct may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining orders of protection related to the reported incident more difficult. If a Complainant chooses not to make a formal complaint to the University regarding an incident, they nevertheless are still able to speak with Walsh University Campus Police or other law enforcement agencies and/or a local Sexual Assault Nurse Examiner (SANE) program regarding evidence preservation in the event the Complainant changes their mind at a later date. Further, completion of a medical forensic evaluation may also allow a Complainant to preserve evidence while deciding whether to later file a police report.

### **1. Preserving Evidence for Sexual Assaults**

Physical evidence is crucial in helping to prosecute assailants in cases of rape or sexual assault and in obtaining a protection order. Physical evidence must be collected in a timely manner by a certified medical facility. Two of these local medical programs include Aultman Hospital’s Serenity Program and Mercy Medical Center’s Haven Program whose contact information is listed below #4. Prior to a medical/legal exam, victim/survivors of rape or assault should not

bathe, change clothes, douche, use the toilet (if possible), smoke or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that the evidence may be preserved. If victim/ survivors do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted diseases.

**2. Preserving Evidence for Victim/Survivors of Violence**

Preserving evidence may be necessary to prove criminal domestic violence or dating violence, and in obtaining a protection order. Victim/survivors of violence should not bathe or change clothes prior to documentation of physical evidence. Two of the local medical programs that can provide a domestic violence forensic examination for victims/survivors include Aultman Hospital's Serenity Program and Mercy Medical Center's Haven Program whose contact information is listed below in(Section M #4. If victim/survivors do not opt for forensic evidence collection, health care providers can still treat injuries.

**3. Preserving Evidence for Victim/Survivors of Stalking**

Preserving evidence of stalking may be necessary to prove criminal stalking and assisting a victim/survivor in obtaining a protection order. Victim/survivors of stalking should save evidence such as any letters, notes, emails, phone calls, videos, photos, texts, social media postings, computer screenshots, voicemails, or any other form of evidence that would be helpful.

## **N. Institutional Grievance Processes**

**1. Criminal Complaints**

Ohio state and/or federal law will apply, and the matter will follow criminal processes through a police investigation and/or a referral to the criminal court system for resolution, if applicable.

**2. Formal Complaint**

The University's investigation of formal complaints of policy violations is different and separate from a criminal complaint investigation by any law enforcement agency. An ongoing law enforcement investigation does not relieve the University of its obligation to investigate allegations of conduct prohibited by this policy. In cases involving potential criminal conduct, University personnel must determine, consistent with federal, state, and local law, whether appropriate law enforcement agencies or other authorities should be notified. Conduct may constitute a violation of this policy and result in disciplinary action by the University even if a law enforcement agency and/or court of law determines that the conduct did not constitute a crime.

**3. Informal Resolution of Formal Complaints**

In appropriate circumstances, and with the approval of both the Complainant and Respondent, the Title IX Coordinator may attempt informal resolution options, such as alternate resolutions or restorative justice to resolve a formal complaint of an alleged policy violation without the need for additional proceedings. When *Informal Resolution of a Formal Complaint* is pursued, the Title IX Coordinator will provide written notice to the Complainant and Respondent regarding:

- 1) the allegations;
- 2) the voluntary nature of the informal resolution process and the availability of a formal investigation at all times; and

- 3) any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Effort will be made to resolve an institutional formal complaint within approximately sixty (60) days of the filing of a formal complaint. The objective of the informal process will be to reasonably resolve the incident to the mutual satisfaction of the parties involved, if possible.

- a. **Alternative Resolutions**

In some cases, both the Complainant and Respondent have the opportunity to request a specific type of informal resolution process. In order to proceed with an informal process, both parties must agree to the Informal Resolution. At any time, either party has the right to pursue a formal process.

- b. **Restorative Practice**

Means a practice relating to a specific harm that is community-based and unaffiliated with any civil or criminal legal process; is initiated by a victim of the harm; involves, on a voluntary bases and without any evidence of coercion or intimidation of any victim of the harm by any individual who committed the harm or anyone associated with any such individual; one or more individuals who committed the harm; one or more victims of the harm; and the community affected by the harm through one or more representatives of the community; shall include and has the goal of collectively seeking accountability from one or more individuals who committed the harm; developing a written process whereby one or more individuals who committed the harm will take responsibility for the actions that caused harm to one or more victims of the harm; and developing a written course of action plan that is responsible to the needs of one or more victims of the harmed, and upon which one or more victim, one or more individuals who committed the harmed, and the community can agree; and is conducted in a victim services framework that protects the safety and supports the autonomy of one or more victims of the harm and the community.

Walsh University may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to a formal investigation and adjudication of formal complaints of sexual harassment. Similarly, Walsh University may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. Walsh University must not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student. At any time either party has the right to withdraw from the Informal Resolution process and resolve the formal complaint through a Formal Resolution. If the parties are not able to resolve the complaint through the Informal Resolution process, the complaint will be resolved through a Formal Resolution unless the complaint is withdrawn or dismissed.

The Title IX Coordinator retains the discretion to determine the type of Informal Resolution that may be appropriate in a specific case and may refer a complaint to a Formal Resolution at any time. Informal Resolutions will typically be completed within 60 calendar days of the decision to engage in Informal Resolution. Informal Resolution agreements are signed by the parties and the Title IX Coordinator and are enforced by the University

#### 4. **Investigation of Formal complaints**

In instances where informal methods of resolution are inappropriate or declined, a formal investigation will be conducted. While all investigations will vary due to the individual circumstances surrounding the particular report, formal investigations under this policy will typically involve the following:

a. **Initial Review**

Preliminary review by the Title IX Coordinator of any formal complaint filed to determine whether, on its face, an alleged violation of the policy has occurred, and an investigation is needed.

b. **Investigation of Allegations**

Investigations are conducted by the Title IX Office. For the purposes of investigation, the Title IX Coordinator will assign Title IX Team members(s). Title IX Team members include the Title IX Coordinator and Title IX Deputies, and all team members are trained to conduct each stage of the formal investigation process.

i. **Initial Title IX Team Assignment**

Prior to the start of a formal investigation, the Title IX Coordinator will send a written “Initial Title IX Team Assignment” to the Complainant and Respondent, which will include the names of the Title IX Team member(s) assigned to the particular formal complaint.

ii. **Conflict of Interest**

If any Complainant and/or a Respondent believes any Title IX Team member assigned to the particular formal complaint has a conflict of interest, the party must contact the Title IX Coordinator in writing no more than seven (7) days (excluding University holidays) of receiving the Initial Title IX Team Assignment with an explanation of the alleged conflict of interest (a “Conflict of Interest Actual knowledge notice”).

In the event that the Title IX Coordinator receives a Conflict of Interest Actual knowledge, the Title IX Coordinator will make any substitutions the Title IX Coordinator deems appropriate. Similarly, if an assigned Title IX Team Member believes the particular formal complaint poses a conflict of interest for the individual, the Title IX Team member will contact the Title IX Coordinator immediately and the Title IX Coordinator will make any substitutions the Title IX Coordinator deems appropriate. After the Conflict of Interest Actual knowledge notice period has passed, the Title IX Coordinator will send a written “Final Title IX Team Assignment” to the Complainant(s) and Respondent(s).

iii. **Title IX Team Member Notification**

The Title IX Team member(s) will send written notification to the Complainant and the Respondent that the formal investigation has started, along with the relevant conduct provision(s) at issue and the potential sanctions and disciplinary actions if a violation of the policy is found.

iv. **Investigative Interviews**

The Title IX Team member(s) will conduct interviews of the Complainant, the Respondent, and any witnesses identified by those parties. The Respondent shall be provided a copy of any written report or otherwise informed of the substance of any Complainant’s allegations. Similarly, the Complainant shall be provided with a copy of any written response provided by a Respondent or otherwise informed of the substance of any Respondent’s response to the allegations.

v. **Consideration of Evidence by Title IX Team Member(s):**

The Title IX Team member(s) will gather relevant documents or evidence (e.g., law enforcement investigatory records, student and/or personnel files, etc.). Both the Complainant and Respondent will be asked to provide a list of possible witnesses as well as any written or physical evidence (e.g., text messages, social media postings, emails, photos, medical records, etc.) that they wish to be included as part of the investigation.

vi. **Prepare Investigative Report**

The Title IX Team Member(s) will prepare an Investigative Report complete with a summary of interviews, relevant documents, and next steps.

**vii. Distribute Investigative Report**

The Title IX Team member(s) shall provide any Complainant and Respondent with access to the Investigation Report as well as any non-confidential documents or evidence gathered by the Title IX Investigator(s) that were used to prepare the Investigation Report to the parties.

The evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint will be made available to the parties and their advisors, including the evidence upon which the University may not rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence. The parties will have 10 calendar days to review the evidence. The parties will be offered the opportunity to review the evidence and provide a written response that will be submitted to the investigators for the completion of the Investigation Report.

The investigator shall then prepare a written Investigation Report fairly summarizing the relevant evidence, and provide a copy to both parties. The investigator shall submit this Investigation Report to the parties no less than ten days before any scheduled hearing. Each party may submit a written response to the Investigation Report. The purpose of the Investigative Report is to summarize factual findings, not conclusions as to whether a policy violation occurred. The investigator may also make findings that go to the credibility and cooperation of witnesses. For the privacy of all those involved, evidence shared in an electronic format will not be printable, downloadable or electronically shareable by the parties or their advisors. Exceptions may be made in compliance with Section 504 of the Rehabilitation Act of 1973.

**c. Pre-Hearing Conference**

Each party will have their own pre-hearing conference. The Title IX Coordinator will communicate to the parties, their advisors, and the Hearing Chair the date, time, and format for their Pre-Hearing Conference. The Title IX Coordinator, the Hearing Chair, and the advisor must be in attendance. While the parties are strongly encouraged to attend, they are not required to do so.

During the Pre-Hearing Conference, the advisors must share with the Sexual Misconduct and Interpersonal Violence Hearing Chair, their list of witnesses to appear at the hearing, the identity of any requested witnesses that were not questioned during the investigation, the request for any new evidence to be considered that was not submitted previously to the investigators, and the availability of the advisor and the party for hearing dates.

Evidence and witnesses may only be presented at the hearing if they were submitted to the investigators and made available to the parties for review, unless they were unavailable at the time of the investigation or the relevance was unknown until the investigative report was submitted. The Hearing Chair will address any requests to present new evidence and new witnesses at the Prehearing Conference.

The advisor is strongly encouraged to discuss lines of questioning with the Sexual Misconduct and Interpersonal Violence Hearing Chair at the Prehearing Conference to obtain guidance from the Hearing Chair on relevancy prior to the hearing. The Sexual Misconduct and Interpersonal Violence Hearing Chair will discuss the expectations and guidelines for appropriate behavior and decorum during the hearing.

After reviewing each party's witness list, the Sexual Misconduct and Interpersonal Violence Hearing Chair may, at their discretion, add names of other witnesses contained in the report for the purpose of appearing at the hearing and submitting to cross-examination.

After the conclusion of the Pre-Hearing Conferences, the Title IX Coordinator will provide each party and their advisor with written notice of the date, time, and manner for the hearing, which will typically occur no less than 5 business days after the conclusion of the final pre-hearing conference

**d. Live Hearing**

Once all the initial investigation and interviews have taken place, the live hearing will be scheduled by the Title IX Coordinator. During the live hearing, the decision-makers, called the Sexual Misconduct and Interpersonal Violence Hearing Board will facilitate the process of permitting each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including questions that challenge credibility (please refer to the Walsh University Student Handbook > Administrative and Board Hearing Procedures). The Hearing Board consists of the Title IX Hearing Board Facilitator, 1 faculty member and 1 staff member.

Live hearings may be conducted with all parties physically present in the same geographic location or, at the school's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually. Additionally, schools must create an audio or audiovisual recording, or transcript, of any live hearing.

**i. Cross Examination**

- a.** Cross-examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by a party personally.
- b.** At the request of either party, the recipient must provide for the entire live hearing (including cross-examination) to occur with the parties located in separate rooms with technology enabling the parties to see and hear each other.
- c.** Only relevant cross-examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the decision-maker must first determine whether the question is relevant and explain to the party's advisor asking cross-examination questions any decision to exclude a question as not relevant.
- d.** If a party does not have an advisor present at the live hearing, the school must provide, without fee or charge to that party, an advisor of the school's choice who may be, but is not required to be, an attorney to conduct cross-examination on behalf of that party.
- e.** If a party or witness does not submit to cross-examination at the live hearing, the Hearing Board will weigh any relevant statements of the party or witness appropriately in reaching a determination of responsibility. The Hearing Board will not draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions.

**e. Advisor or Support Person of Choice: Reporting and Respondent(s)**

Complainant and Respondent have a right to be accompanied by one advisor or support person who may be, but is not required to be, an attorney, of the individual's choosing, or if the party needs an advisor, chosen/suggested by the University, during any meeting with a Title IX Team Member and including the live hearing (if applicable). That advisor or support person:

- is permitted to provide support but cannot advocate for the party or impede the investigation.
- is permitted to be someone who is a potential witness in the investigation.
- is permitted to cross examine/ask questions during the live hearing on behalf of the Complainant or Respondent, provided they are relevant to the investigation.

Any advisor that becomes disruptive in any meeting/hearing, the university reserves the right to remove the advisor from that meeting and/or prohibit them from participating in the remainder of the process. Any person who serves as an advisor should plan to make themselves available for meetings throughout the process. Scheduling of the interviews and meetings will not be unduly delayed due to the lack of availability of the advisor.

**f. Rights of the Complainant and Respondent During the investigation and resolution of a formal complaint filed, the Complainant and Respondent shall have equal rights. These include the right to:**

- have written notice of the of the allegations upon receipt of a formal complaint.
- to present fact and expert witnesses and other inculpatory and exculpatory evidence.
- to select an advisor of the party's choice who may be, but need not be, an attorney. to send written notice of any investigative interviews, meetings, or hearings.
- to send the parties, and their advisors, evidence directly related to the allegations, in electronic format or hard copy, with at least 10 days for the parties to inspect, review, and respond to the evidence.
- to freely discuss and gather evidence related to the allegation (no gag orders)
- to identify and have considered witnesses and other relevant evidence.
- to be apprised of the substance of any statements or evidence provided by the other party.
- to receive, along with their advisors, an investigative report that fairly summarizes relevant evidence, in electronic format or hard copy, with at least 10 days for the parties to respond.
- to cross examine the Complainant or Respondent and corresponding witnesses during a live hearing.
- to appeal determinations pursuant to "Section Q. Appeal Process"

**g. Investigation Timeline**

Efforts will be made to complete a formal investigation within approximately sixty (60) days of receiving the initial formal complaint. If the University is unable to complete a formal investigation within sixty (60) days of receipt of a formal complaint, the Title IX Coordinator or Title IX Deputy assigned to the investigation, will notify any Complainant and any Respondent in writing of the need for additional time, the reason(s) that additional time is needed, and an approximate date for completion of the formal investigation.

**h. Promptness, Fairness and Impartiality**

These investigative procedures provide for prompt, fair, and impartial investigations and resolutions. The Title IX Team member shall discharge their obligations under these procedures fairly and impartially. If the Team IX Team member determines that they cannot apply these procedures fairly and impartially because of the identity of a Complainant, Respondent, or witness, or due to any other conflict of interest, the Title IX Team member shall designate another appropriate individual to administer these procedures.

**i. Dismissal of Allegation**

Walsh University must dismiss allegations of conduct that do not meet the definition Title IX Prohibited Conduct or did not occur in the University's education program or activity against a person in the United States. Dismissed allegations of Title IX Prohibited conduct

and/or allegations of Non-Title IX Prohibited conduct will be referred to the Walsh University Resolution Board or the Student Conduct & Community Standards Office as the university deems most appropriate.

Furthermore, Walsh University may, at their discretion, dismiss a formal complaint or allegations therein if

- the complainant informs the Title IX Coordinator in writing that the complainant desires to withdraw the formal complaint or allegations therein,
- if the respondent is no longer enrolled or employed by the school, or
- if specific circumstances prevent the school from gathering sufficient evidence to reach a determination.

In cases of a request for a withdrawal of a formal complaint, the school must give the parties written notice of a dismissal (mandatory or discretionary) and the reasons for the dismissal.

## **O. Investigative Outcomes**

### **1. Investigative Finding & Determination**

The decision-maker (who cannot be the same person as the Title IX Coordinator or the investigator) will issue a written determination regarding responsibility with findings of fact, conclusions about whether the alleged conduct occurred, rationale for the result as to each allegation, any disciplinary sanctions imposed on the respondent, and whether remedies will be provided to the complainant.

This determination will be provided simultaneously in writing to both the Complainant and Respondent become final. The following are the potential outcome:

#### **a. Actual Knowledge Notice of Violation**

In the event the Sexual Misconduct and Interpersonal Violence Hearing Board determines that there is probable cause to believe that a violation of this policy occurred, the Title IX Coordinator will issue a "Actual Knowledge Notice of Violation" in writing to any Respondent and provide a copy of the Actual knowledge notice of Violation to any Complainant.

#### **b. Actual Knowledge Notice of No-Violation**

In the event that the Sexual Misconduct and Interpersonal Violence Hearing Board does not find that there is probable cause to believe that a violation of this policy occurred, the board will issue (through the Title IX Coordinator) a "Actual knowledge Notice of No Violation" in writing to any Complainant and provide a copy of the Actual knowledge notice of No Violation to any Respondent. The Title IX Coordinator will also notify the parties of their right to appeal the Investigative Findings & Determination, and, if applicable, the sanctions or disciplinary measures recommended.

### **2. Standard of Proof**

The standard of proof used for all Prohibited Conduct is a preponderance of evidence. This means there is a greater than 50% chance (based on the evidence provided within the investigation) that the Respondent is responsible for the violation as indicated in the filed report.

If there is a finding of responsibility, the finding will be forwarded as follows for sanctioning or disciplinary action:

- **Staff and University Volunteers:** The Director of Human Resources and the employee's direct supervisor. Together, in collaboration with the supervising Vice- President and Title IX Office, disciplinary action will be assigned.

d. **Retaliation**

Charges of retaliation are as separate matter from the Title IX issues and will be addressed promptly through the Human Resources office in collaboration with the employee's direct supervisor.

## **Q. Appeal Process**

The Complainant or Respondent has the right to appeal a determination and recommended sanctioning only on the following grounds:

- 1) There is a substantial likelihood that newly discovered information, not available at the time evidence was presented to the investigating Title IX Team Member or Sexual Misconduct and Interpersonal Violence Hearing Board Member, would result in a different decision,
- 2) There was a procedural error significant enough to call the outcome into question, and/or
- 3) The sanction or disciplinary action imposed is disproportionate to the offense.

Appeals are not intended to be full re-hearings of the formal complaint and investigation. In most cases, appeals are confined to a review of the written documentation or record of the original hearing, and pertinent documentation regarding the grounds for appeal. This is not an opportunity for Appeal Review Board members to substitute their judgment for that of the original hearing body merely because they disagree with its finding and/or sanctions.

Appeals decisions are to be deferential to the original hearing body, making changes to the finding only where there is clear error and to the sanction only if there is a compelling justification to do so. Complainant and Respondent will be notified, simultaneously, in writing if a change is made to the investigative finding and when results become final.

### **1. Method of Appeal**

Complainant and Respondent may file a written appeal with the Vice-President for Student Affairs (or designee) within seven (7) calendar days from the date of the written decision. The appeal must be in writing and contain the following:

- Name of the Complainant
- Name of the Respondent
- A statement of the outcome of the investigation, including disciplinary action or sanctioning recommendations, if any
- A detailed statement of the basis for the appeal including the specific facts, circumstances, and argument in support of it, and requested action, if any

The non-appealing party will have an opportunity to provide a written response to the request for appeal to the Vice-President for Student Affairs (or designee). The written response must be submitted within seven (7) calendar days of receipt of Request for Appeal.

\*Per University policy, third parties are unable to utilize the institutional process as they are not under the University's jurisdiction, and must be addressed through appropriate administrators, Campus Police, and/or local enforcement.

### **2. Resolution of the Appeal**

The Vice-President for Student Affairs will generally resolve the appeal within fourteen (14) days of receiving it and may take any and all actions that they determine to be in the interest of a fair and just decision. The decision of the Vice-President for Student Affairs is final. The Vice-President for Student Affairs shall issue a short and plain, written statement of the resolution of the appeal, including any changes made to the Sexual Misconduct and Interpersonal Violence Hearing Board previous written determination and/or the sanctions and remedial measures imposed. The written statement shall be provided to the Complainant, Respondent, and the Title IX Coordinator within ten (10) days of the resolution. Sanctions imposed are then implemented immediately, pending the outcome.

#### **D. Bystander Intervention**

Bystander interventions mean safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking actions to intervene.

Walsh University encourages bystanders to be active in interrupting (potentially) harmful situations they may witness, including those that promote or are an act of sexual misconduct and/or interpersonal violence. Walsh promotes the idea of shared responsibility and that each member of our community plays a role in preventing violence from occurring. When interrupting a harmful situation, bystanders should stay at a distance and gather others for assistance, when possible. Walsh promotes the 4 Ds of Bystander Intervention in its trainings and programs as safe options for intervention.

Employees and students should take the following steps when implementing intervention strategies:

1. **Notice the situation** – Bystanders must first notice harmful actions taking place. Educate yourself about interpersonal violence and the warning signs of abuse. Share this information with your friends and colleagues.

#### **WARNING SIGNS THAT COULD LEAD TO A SEXUAL ASSAULT:**

- Withdrawing from other relationships or activities, for example, spending less time with friends, leaving sports teams, or dropping classes
- Saying that their partner doesn't want them to engage in social activities or is limiting their contact with others
- Disclosing that sexual assault has happened before
- Any mention of a partner trying to limit their contraceptive options or refusing to use safer sexual practices, such as refusing to use condoms or not wanting them to use birth control
- Mentioning that their partner is pressuring them to do things that make them uncomfortable
- Signs that a partner controlling their means of communication, such as answering their phone or text messages or intruding into private conversations
- Visible signs of physical abuse, such as bruises or black eyes

*(Taken from Rape, Abuse, & Incest National Network, [www.rainn.org](http://www.rainn.org))*

#### **WARNING SIGNS OF RELATIONSHIP VIOLENCE**

- Tells you that you can never do anything right
- Shows extreme jealousy of your friends and time spent away
- Keeps you or discourages you from seeing friends or family members
- Insults, demeans or shames you with put-downs
- Controls every penny spent in the household
- Takes your money or refuses to give you money for necessary expenses
- Looks at you or acts in ways that scare you
- Controls who you see, where you go, or what you do
- Prevents you from making your own decisions
- Tells you that you are a bad parent or threatens to harm or take away your children
- Prevents you from working or attending school
- Destroys your property or threatens to hurt or kill your pets
- Intimidates you with guns, knives or other weapons

- Pressures you to have sex when you don't want to or do things sexually you're not comfortable with
- Pressures you to use drugs or alcohol

*(Taken from Rape, Abuse, & Incest National Network, [www.rainn.org](http://www.rainn.org))*

#### **WARNING SIGNS OF STALKING**

[When a friend is...]

- Always looking over [their] shoulder?
- Confused about how someone always seems to know where [they] are?
- Unsure when that person will show up again?
- Nervous about checking [their] e-mail or phone because it might be him/her/them again
- Scared of what that person might do next?

2. **Interpret the situation as harmful** – Bystanders also need to evaluate the situation and determine whether it is harmful – or at least one in which someone needs assistance.
3. **Assume Responsibility** – Another decision bystander make is whether they should assume responsibility for the harmful situation and provide help.
4. **Attempt to Help** - Help the person leave the situation, confront a behavior, diffuse a situation, or call for other support/security. Confront friends who make excuses for other people's abusive behavior. Implement the **4 Ds of Bystander Intervention**:
  - **Direct** – A bystander may choose to directly engage with a perpetrator, victim, or both. Using this strategy, they would directly address the inappropriate attitudes or behaviors that are occurring and/or would remove the victim from the harmful situation.
  - **Delegate** – A bystander may choose to ask someone else or a group to help intervene in the harmful situation.
  - **Distract** – A bystander may choose to divert the attention of the perpetrator and help remove the victim from the situation or to draw the attention of other bystanders to the situation occurring.
  - **Delay** – If a situation is unsafe or if a bystander is unsure of all the details of the situation, the bystander can check back in with the victim or make a report after the incident occurs.

If someone is in immediate danger, call Campus Police at 330-490-7474 or local police at 911 for assistance.

### **E. Risk Reduction**

Risk reduction strategies are designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one's risk of sexual assault or harassment:

#### **1. Avoiding Dangerous Situations**

- **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
- **Try to avoid isolated areas.** It is more difficult to get help if no one is around.
- **Walk with purpose.** Even if you don't know where you are going, act like you do.
- **Trust your instincts.** If a situation or location feels unsafe or uncomfortable, it probably not the best place.
- Try not to load yourself down with packages or bags as this can make you appear more vulnerable.
- **Make sure your cell phone is with you** and charged and that you have cab money, and/or an on-demand driver app loaded.

- **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
- **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.

## 2. In Social Situations

- **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
- **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
- **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
- **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
- **Watch out for your friends, and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
- **If you suspect you or a friend has been drugged,** contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

## 3. If Someone is Pressuring You

If you need to get out of an uncomfortable or scary situation, here are some things that you can try:

- **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
- **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feel right to you and what you are comfortable with.
- **Have a code word** with your friends or family so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
- **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
- **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
- **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

## F. Coordinated Community Response Team

In addition to implementing these strategies to reduce the perpetration and victimization of sexual misconduct and interpersonal violence on campus, Walsh University has its own Coordinated Community Response Team (CCRT) that actively seeks to address risk and protective factors of sexual assault, domestic violence, dating violence, and stalking at the institution. The CCRT's mission statement explains this team "...is a collaborative body of campus and community experts

who provide the Walsh University community with inclusive, culturally competent and trauma-focused education, safety and prevention

## ANNUAL FIRE SAFETY REPORT 2022 SUMMARY

**CAMPUS FIRE SAFETY OFFICER**  
**Ron Perdue, Chief of Campus Police**

### **REPORTING OF FIRES**

If a fire occurs on Walsh University campus property, community members should immediately call 911 to report the fire, or Campus Police at (330) 490-7474. If 911 is called, please contact Campus Police after your call to inform them that emergency personnel are in route and to provide directional information as need to respond to the emergency. If a member of the Walsh University community finds evidence of a fire that has been extinguished, and the person is not sure whether Campus Police has already responded, the community member should immediately notify Campus Police to investigate and document the incident.

Fire alarms alert community members of a potential hazard. Community members are required to heed their warning and evacuate a building immediately upon hearing a fire alarm in a facility. Individuals should use the nearest stairwell and/or exit to leave the building immediately. Community members should familiarize themselves with the exits in each building. When a fire alarm is activated, the elevators in most buildings will stop automatically. Occupants should use the stairs to evacuate the building. If you are caught in the elevator, push the emergency button and/or call Campus Police to notify them of your location.

### **FIRE SYSTEM**

The fire system in the Walsh University Residence Halls is operated by the AUTOCALL TFX Series Fire Control System. The system uses modem microcontroller based processing to provide system alarm and fault reporting functions. In the event of a sounding alarm, the automated system contacts the control dispatch who in turn contacts the North Canton Fire Department and the following designated university staff members: (1) Campus Police Officer on Duty, (2) Residence Life Professional Staff On-Call, (3) Chief of Campus Police, and (4) Director of Facilities.

### **FIRE RELATED RESIDENCE HALL POLICIES**

**Cooking** - Cooking in the residence halls is strictly regulated due to sanitary, electrical, and fire safety concerns. Only those appliances listed as permissible under the Electrical Appliance section of this handbook are allowed for cooking purposes. Cooking is allowed in Lemmon Hall and University apartments due to the presence of the kitchen facilities and fire safety equipment. Even in these buildings, though, appliances must be of a reasonable safety standard as determined by the judgment of the Residence Life Staff in consultation with Facilities/Maintenance.

**Decorations**-Students are encouraged to use good judgment when attaching materials to walls. Sticky tack or putty may be used to attach decorations to walls. Items are not permitted to be hung from the ceiling or any fire protection or suppressant device.

**Electrical Appliances**-A student may bring a small refrigerator to campus if it is in good working order, and does not exceed 5.5 cubic foot capacity, 115 volts, AC 60 cycles and 1.5 amps. The

additional items listed below may also be brought. Fans, televisions, small George Foreman grills, air fryers, crockpots, clocks, clocks, microwaves, hair dryers, personal computers, gaming systems, and Bluetooth speakers

Electrical and Fire Safety Considerations-Due to safety considerations, the following items are prohibited from the residence halls: portable heaters, air-conditioning units, halogen lamps/bulbs, hot plates, toaster ovens, propane grills, candles, incense.” This list of prohibited items is not exhaustive. Residence Life, in consultation with Facilities/Maintenance, reserve the right to deny the use of any additional items that may pose an electrical and/or fire safety risk.

Fire Alarms/Equipment - All individuals are required to vacate a building when the fire alarm has been sounded. Failure to vacate will result in disciplinary action or civil fines. Any individual responsible for pulling a false fire alarm or tampering with fire equipment (detectors, fire extinguisher, pull boxes, etc.) will be subject to serious disciplinary action and/or criminal charges.

Fireworks and Explosives-Students are reminded that the sale or use or possession of fireworks or explosives is a violation of University regulations. Firearms are prohibited on campus, except as permitted by law.

Smoking - Smoking is a leading cause of preventable death in the United States. Smoking and secondhand smoke are known causes of lung disease, heart disease, and cancer. Walsh University recognizes the hazards caused by tobacco use and exposure to secondhand tobacco smoke. To protect and enhance our indoor/outdoor air quality and to contribute to the health and well-being of our entire campus community, Walsh University campus is entirely tobacco-free. Additionally, the use of all tobacco and smoking products, including chewing tobacco, electronic cigarettes (E-cigarettes), and other vaping devices is strictly prohibited within the facilities or on the property of Walsh University at any time. “Property” means the University’s facilities “curb to curb,” including offices, grounds, adjacent sidewalks, parking lots/ramps, company owned vehicles, and employee vehicles parked on owned and leased property.

Grills - Propane grills are not permitted in the residence halls under any circumstance. Students may use charcoal grills for cooking, provided these grills are situated at least 15 feet away from any residential building and reasonable safety measures are used while grilling. Charcoal grills may not be used for cooking in student rooms. This includes the balcony areas of the University Apartments (Brauchler, Meier and Stein Halls).

Window Decorations & Screens-No signs, posters, pictures or other items may be displayed in or on the residential apartment or room windows in such a way that they are visible from outside the building, and should not hinder the view of emergency personnel in identifying the source of a fire. Furthermore, room window screens are not to be removed. Removing window screens or in any way changing or altering a room can be considered vandalism and may result in disciplinary action.

### **EDUCATION & TRAINING**

The North Canton Fire Department provides a variety of education and training opportunities for both Residence Life staff and students alike. The Residence Life Professional Staff meets with the North Canton Fire Department annually to review safety protocols for fire and evacuation. This includes a walk-through of each residence hall area to check safety standards.

In addition, the Resident Assistant staff takes part in a two-hour fire safety training seminar coordinated through the North Canton Fire Department prior to the beginning of each academic year. This training includes instruction on how to use a fire extinguisher and how to safely exit a burning building.

The North Canton Fire Department also provides student education on fire safety in the residence halls during the University’s Safety & Security Week held annually during the fall semester. Officers from the North Canton Fire Department educate our students on residence hall room safety, including presentations on cooking, use of electrical appliances, and expectations regarding the use of

appropriate power cords. Students are given information on how to properly navigate their way out of a burning building.

### **EVACUATION PROTOCOL**

Fire testing is held quarterly in the Walsh University residence halls. This is coordinated through the North Canton Fire Department. Predetermined dates are arranged at the onset of each academic term (one test per fall/spring term). Each residence hall is tested independently with evacuation times reviewed by the North Canton Fire Department. An acceptable evacuation time is under two minutes. If a residence hall is not evacuated in this amount of time, the students are notified and a follow-up drill is scheduled in the later weeks of the semester. Residence hall occupants must receive a passing time in order to receive a “passing” rating from the North Canton Fire Department.

The fire system in the residence halls is inspected once per year. This involves an inspection of all smoke alarm heads, control panels, pull stations, and sounding alarms. The inspection is carried out by Simplex Grinnell and residence hall maintenance. Additionally, fire safety equipment in common areas is checked daily by the Residence Life staff. Extinguishers and pull stations are inspected to ensure that tampering has not occurred.
