

May 2026

The Office of the Registrar

May 2026 Newsletter

The Office of the Registrar and the Office of Advising for Student Success are hard at work building and testing audits and pathways for all of our programs. As we finalize the audits and pathways and prepare them for launch in Fall 2026, we will be reaching out to departments to schedule training sessions. Keep an eye on your email for important updates and let us know if you have any questions.

Stellic Resources for Faculty
