WALSH SURPASSES \$30M GOAL WITH CONCLUSION OF *WE BELIEVE* CAMPAIGN | FAITH IN ACTION: OUR LADY OF PERPETUAL HELP GIVING SOCIETY

WINTER 2018 | A PUBLICATION OF WALSH UNIVERSITY

President's Message

Now that the dust has settled on our recent successes, many have asked me, "What's next?" While there is an answer to that question, perhaps we need to pause on our journey. The *We Believe Campaign* ended well — over goal. Two new, state-of-the-art buildings are in use. Ninety-one endowed scholarships have been created. Endowment growth of \$9 million subsidizes grants and scholarships for our neediest students. Many other facilities are upgraded. We were deeded a building in North Canton. And more...

What must come before "What's next?" is "How did this happen?" When we call a campaign "*We Believe*," what does that mean? Yes, we believe in Walsh. Yes, we believe in our faculty and staff, our students, our alumni, and many friends and community partners. But the fundamental answer is "We believe in almighty God's loving embrace of the Walsh University community."

In the first years of Walsh, Brother Dacian Barrette and a host of Student-Brothers planted hundreds of trees on campus. One was a maple tree near the library. It grew to a beautiful size and it provided shade. We had to remove it for the Global Learning Center. We sent the trunk to the home of Dr. Mark Wilhelm. He crafted it into the large maple cross in the St. Teresa of Calcutta Chapel. He also made 50 small crosses to honor the donors to the chapel. Our motto "God gives the increase" is a phrase that is alive on campus. If that tree were as it was in 2016, it would be growing in our new chapel. Do you see how God works? The seedling became a majestic tree. The tree grew and became a cross in the new chapel in a space where it was growing. And 50 people took it home as a memorial to their generosity — and God's bounty toward us.

If indeed we keep believing in God's goodness, the "new" project may well become a reality. The ticker-tape investment lab, the refurbishing of early residence halls, and the renovation of the David Family Campus Center will all come to reality because "We Believe." And always, "...God gives the increase" because We Believe.

May God bless us all.

Walsh Celebrates 2017 Winter Graduates

The Walsh University community came together on Sunday, December 17, to celebrate the academic and personal accomplishments of its 300 winter graduates as they received their respective associate, bachelor's, master's and doctorate degrees. The ceremony included Walsh University President Richard Jusseume, Provost and Vice President for Academic Affairs Dr. Douglas Palmer, invocation by Senior Chaplain Rev. Thomas Cebula and musical selections by the Walsh Chamber Singers. The Senior Address was presented by SPS Graduate Rebecca McClish. Commencement Speaker Christian Long, Ed.M., was awarded the Walsh University Distinguished Service Medal, which is awarded to those who have rendered distinguished professional or voluntary service to others within the national, regional or local Walsh University community.

Founding Partner of WONDER, By Design, a future-of-education design studio, Christian Long is an educator and passionate advocate for innovative learning communities, having spent more than 20 years teaching, coaching, leading experiential education programs and designing schools. Christian's expertise helped to shape the overall concept and innovative design of Walsh University's newest academic building, the Marlene and Joe Toot Global Learning Center.

More than 350 Gather to Hear Leah Darrow's Message of Faith and Mercy

Former "America's Next Top Model" contestant and nationally renowned Catholic speaker and author Leah Darrow spoke to more than 350 attendees on Monday, October 23, in the Barrette Business and Community Center. Sponsored by the Our Lady of Perpetual Help Giving Society, Darrow shared some of her personal failures and wins in life regarding faith, fashion, dating, career choices and vocation.

"God ordained you to be here right now. So as we go on about our evening, it is good to remember that we are not alone. God is speaking to us as a friend, as a savior, as a redeemer and as deliverer," said Darrow. "God is telling us 'Give to God what is God's.' God doesn't want just a piece of you. He doesn't want the parts that you ordered nicely. He doesn't want the parts that look really good. He wants the messy, the chaos, the hurt, the suffering, the sin, the disgusting, the secrets. He wants all of you."

As a full-time motivational speaker, Darrow brings her experience of the fashion world and the Catholic faith to young audiences around the country. In addition to appearing on secular and religious media programs, she spoke on behalf of international youth at a United Nations panel discussion in July 2011. Her audiences have included the World Trade Center in Manila Philippines, Pro-Life events, and local parishes on five different continents.

New Partnership Creates Unique Accelerated Law Degree Program

Walsh and the University of Dayton (UD) School of Law are now accepting applications for the new 3+2 program that will allow students to achieve a bachelor's and law degree in as little as five years, rather than the usual seven years. It is believed to be just one of two such programs in the nation.

With the recent launch of a joint Walsh/UD Engineering program, the new 3+2 law program is the second academic agreement between the two Catholic institutions. Accepted students first apply to Walsh University as their undergraduate institution and earn provisional acceptance to the University of Dayton School of Law. The first three years will be at Walsh University. The fourth and fifth years will be in Dayton where students will complete their bachelor's degrees by satisfying undergraduate electives with credits from the first year of law school. Participating Walsh students can choose from three bachelor degree legal studies tracks in business, sociology and humanities.

More information on Walsh's BA/JD programs, including admission standards, can be found at www.walsh.edu/law. Or, contact the Walsh University Office of Admissions at 800-362-9846.

Walsh Secures U.S. Department of Justice Grant to Support Cavalier Safeguard Initiative

Walsh University was recently awarded a \$300,000 grant from the U.S. Department of Justice, Office on Violence Against Women, to establish a comprehensive Cavalier Safeguard Initiative that will supplement existing safety resources and educational programs on campus.

While the grant will help to fund programming and initiatives, one of the most visible results will be the addition of extra blue security lights/emergency telephones to offer greater campus security and improve emergency response for students, employees and community guests who utilize the grounds and facilities at Walsh University.

“Walsh University takes seriously our responsibility to ensure the safety of our campus community members and guests,” said Vice President of Student Affairs Amy Malaska. “Our campus and community partners are equally thrilled to receive this grant as Walsh continues to advance our educational programs, services and response on this critical topic in today’s society.”

Walsh Appoints John Fankhauser Cavalier Football Head Coach

Longtime member of the Cavalier coaching staff John Fankhauser has been appointed the Cavalier’s new Football Head Coach. Coach Fankhauser brings nearly 20 years of Walsh coaching experience to this position, most recently serving as Associate Head Coach/ Co-Defensive Coordinator, handling all aspects of the Cavs’ special teams and the defensive line. Hired under Walsh’s first football head coach, Jim Dennison, Fankhauser has coached both offensive and defensive positions as well as serving as the program’s longtime special teams’ coordinator.

During his tenure at Walsh, Coach Fankhauser has been an integral part of the program as it transitioned from the NAIA to the NCAA, and more recently from the Great Lakes Intercollegiate Athletic Conference (GLIAC) to the Great Midwest Athletic Conference (G-MAC), where the team finished 4-3 during its inaugural year. Coach Fankhauser has been willing and able to assume a multitude of roles throughout his tenure, always ready to take on new challenges and responsibilities to help the program be successful.

John’s commitment to mentorship and service extends beyond the athletic field. He has been active in coordinating Cavalier athletic service opportunities in the local community, YMCA Youth Football Training Camps and, for the past nine years, he has been an active volunteer with Big Brothers/Big Sisters of Stark County. John earned his master’s degree in education from Walsh in 2006 and resides in North Canton with his wife Walsh alumna Christine (Anderson), daughter Emilia, and son Anderson.

Walsh Students Stand for Life During D.C. March

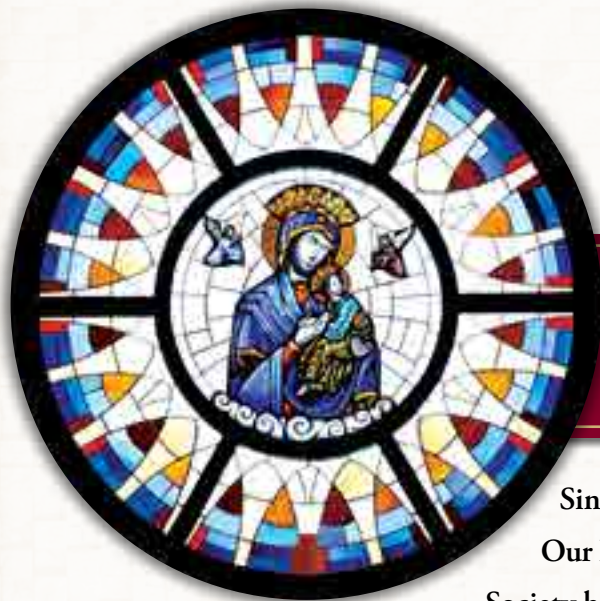

United in the belief that all life is sacred, 55 Walsh students and staff members made the journey from North Canton to Washington, D.C., to join more than 100,000 attendees for the 45th Annual March for Life Rally on Friday, January 19.

This year’s event coordination included an on-campus Community Pro-Life Event and March for Life Send-Off on Wednesday, January 17. Participants joined with prominent pro-life advocates and community members to hear informative and compelling talks about life issues. The event was made possible through the generosity of The Knights of Columbus 3777 Bishop McFadden Council and included special guest Pastor Walter Moss, student testimonials, a blessing for all by Rev. Thomas Cebula and a collection of baby items to be donated to the Embrace Clinic and Care Center.

Led by Walsh graduate student Carolina Bejarno-Ely and Campus Minister Mitchum Warren, and joined by Walsh faculty Dr. Patricia Berg and Dr. Donald Wallenfang, the Walsh group left campus on Thursday evening and traveled all night by bus to arrive in Washington, D.C., on Friday. Their day began with a Prayer Service at the Basilica of the National Shrine of the Immaculate Conception.

Faith in Action:

Our Lady of Perpetual Help Giving Society

Since its founding in 2014, the Our Lady of Perpetual Help Giving Society has remained committed to its goal of inspiring the next generation of Catholic students to strengthen the Catholic faith community. With approximately 50 members, the Giving Society has continued to grow in participation each year while actively supporting local Catholic events, hosting nationally renowned speakers, funding student scholarships and sustaining University programming dedicated to Walsh's Catholic values.

“The OLPH Giving Society helped make it possible for me to go on the President's Pilgrimage to Europe last summer. Without financial help, I would not have been able to go. From the experience, I learned about how to experience God in the little things. I grew more aware of His Universal Presence in the Eucharist, the global extent of our faith, the power of forgiveness, and developed an increased understanding and appreciation for the Church as the Body of Christ.”

Our Lady of Perpetual Help Patroness of the Brothers of Christian Instruction

Our Lady of Perpetual Help is a title given to the Blessed Virgin Mary, associated with the Byzantine icon that is said to have its origin sometime during the 13th -15th century. One of the oldest and revered icons, Our Lady of Perpetual Help features the child Jesus fleeing into His Mother's protective arms as the Archangels Michael and Gabriel show Him the instruments of crucifixion. Many miracles have been reported over centuries by those who have prayed to Our Lady, who is perpetually ready to listen to our prayers and to intercede for us to her Son, Jesus. The Feast of Our Lady of Perpetual Help is celebrated on June 27.

Catholic Mission of Giving Society Inspires Participation

Rosemary and Don Pfiffner

Through their longtime friendship with Walsh Senior Chaplain the Rev. Thomas Cebula, Rosemary and Don Pfiffner first heard about the Our Lady of Perpetual Help Giving Society during its inception. The Society's purpose to strengthen and grow Walsh's Catholic identity drew them to become members.

"When the Society was introduced to us, we looked at each other and knew instantly that we

wanted to participate," said Don. "We have been gratified to see how the funds have provided excellent educational and spiritual opportunities for the community."

Both Don and Rosemary grew up in Canton, Ohio, and moved to North Canton shortly after their marriage. They are active parishioners at St. Paul Parish in North Canton. Rosemary graduated from Walsh University with her bachelor's degree in Psychology in 1988 and her master's in Theology in 2012. The couple have two children, Greg and Barbara (Puperi), and are the proud grandparents of two grandchildren. Married for 50 years, the Pfiffners celebrated their anniversary on the 100th Anniversary of Our Lady of Fatima, May 13, 2017.

"My faith is at the center of my life," said Rosemary. "At this time in history, it is impossible to overestimate the importance

of strengthening and growing the Catholic faith. Many have forgotten the relevance of the Catholic faith, so it is critical to make opportunities available that recapture the wonder and awe of having a faith relationship with Jesus Christ."

As active Society members, the Pfiffners have enjoyed meeting and encouraging Walsh students, attending daily Mass at Walsh's Chapel and participating in recent events such as Mother Teresa's Missionaries of Charity presentation in 2016 and Leah Darrow in 2017, both sponsored by the Our Lady of Perpetual Help Giving Society. Seeing the many students and young adults present reinforces their commitment to be proactive in helping Walsh students and staff maintain a Christ-centered life.

"As we have grown older, we realize how our faith has carried us through some very difficult times. The presence of Jesus Christ, Body, Blood, Soul and Divinity in the Eucharist, is the reason to be Catholic," said Rosemary. "It is our hope that the Society will help young Catholics experience a renewal in their own faith, and a realization of the awesome beauty of Catholicism."

Walsh Surpasses \$30M Goal with Conclusion of *We Believe* Campaign

The largest capital campaign in Walsh University history exceeded all goals and concluded successfully with the close of 2017. With faith at its core, the University's most ambitious campaign was successful, not because of the amount of money raised but because of the high level of support and enthusiasm it generated among alumni, friends, students, faculty and staff, as well as the local and Catholic communities.

The Campaign kicked off in November 2012 and received early significant support from the Timken Foundation of Canton, the Hoover Foundation, the Stark Community Foundation and the George H. Deuble Foundation. *We Believe* contributions over the five-year campaign have impacted every facet of Walsh University and heralded new academic initiatives, building expansion, interdisciplinary collaborations and scholarship opportunities.

The *We Believe* Campaign exceeded all three of its major objectives established in 2012.

Objective 1: Grow the Walsh Endowment to Secure Funding for Student Scholarships

Added almost \$10 million to the endowment in the form of new scholarships through the 70 by '17 initiative and contributions to existing scholarships, which will result in more than \$450,000 each year for student aid.

91 New Scholarships

Surpassing 70 by 2017 Goal

Objective 2: Grow the Walsh Fund to Surpass \$1M Annually

Walsh donors rose to the challenge and, through their generosity, the University reached its \$5M goal.

OBJECTIVE 3: Capital Projects and Technology

New buildings and classroom upgrades created a buzz of

Marlene and Joe Toot Global Learning Center

The Marlene and Joe Toot Global Learning Center has been named to recognize the couple's legacy of support to Walsh University as well as their gift to the *We Believe* Campaign. Both are quick to point out that, though large, their gift is but one of many that together made the Campaign so successful. They feel their gift is less a donation and more of an investment in future generations.

"I'm so happy we can make this gift to Walsh, a university which gave me an excellent education. As a mid-career undergraduate, I understand the importance of getting an education at any age," said Marlene. "I am indebted to Walsh for giving me that opportunity."

An active Board member since 2012, Marlene is a 1985 Summa Cum Laude graduate in Management

and Finance. She earned a Master's Degree in Nutrition at The University of Akron in 1992 and is a sought after speaker in the field of wellness and nutrition. She is a nationally ranked clay target shooter and has placed in half marathons and other running competitions.

A Trustee of Walsh in the early 1970s, Joe is the retired President and CEO of The Timken Company. In retirement, he has worked at The National Security Agency and has been a Trustee of the Cleveland

New Lab Facilities

Rambo Center for Advanced Nursing, Mother Angelica Video Production Lab, Saint Gabriel Digital Media Center

Orchestra. A national clay target champion, he was named to the All American Team. Joe was educated at The Phillips Exeter Academy, Princeton University and The Harvard Business School.

"The Center offers an interdisciplinary approach to academic innovation on a global scale. That's groundbreaking stuff," said Joe. "It's a big step for Walsh and a giant step for the faculty and students who will teach and learn here."

A formal dedication ceremony of the Marlene and Joe Toot Global Learning Center was held on February 9, 2018. The event included a blessing of the facility, remarks, lunch and tours.

We Believe

It's been a beautiful ride. The *We Believe* Campaign has concluded, exceeding its goals at every turn. And for that, I say, simply and sincerely, thank you! Thank you to the donors outlined in the following pages who have contributed so generously to Walsh University. Thank you to the countless people who have volunteered their time to mentor a student, volunteer at an event, get on the phone and help make calls, and on and on. Thank you to Walsh faculty, staff, and alumni for believing in us and helping to make this campaign a success. Thank you to President Jusseaume and the Walsh University Board of Directors for their steadfast leadership and unwavering support. And most importantly, thank you to God for truly granting the increase. May His grace continue to bless us in the years to come as we continue to rely on our benefactors for Walsh's growth and success.

HERITAGE SOCIETY

Members as of September 15, 2017

The Brother Thomas S. Farrell Heritage Society was established to recognize the permanent value of legacy gifts to Walsh University. This society is named after Walsh's first president. Walsh honors alumni, friends, faculty and staff who have demonstrated outstanding commitment to our institution by choosing to benefit the University through planned giving. Planned gifts include gifts through wills, charitable trusts, gift annuities, life insurance, endowed scholarships or other estate planning arrangements. Following is a list of those visionaries who have made such provisions for the University.

BOARD OF DIRECTORS

Walsh University is guided by a Board of Directors made up of dedicated individuals with unique leadership experience from various backgrounds in education, business, politics and service organizations. Walsh's Board Members represent a diverse mix that includes the Brothers of Christian Instruction, the Bishop of the Diocese of Youngstown, business leaders, financial experts, religious clergy, judges, attorneys, community partners, education professionals and alumni. As a unified Board, members combine their expertise to review the activities of the University while carefully balancing future development with the Brothers' founding vision.

As committed custodians of Walsh's mission, it is the Board's responsibility to oversee the strategic direction of the University, define administrative roles, monitor committees and approve annual accounts and budgets. But most importantly, it is the Board's duty to preserve and promote Walsh's Catholic Heritage and founding traditions that have made our University the choice of more than 14,000 students for nearly 60 years.
